

LYNN CANYON ECOLOGY CENTRE

SUMMER CAMPS 2018

SLIME TIME

Tuesday, July 3 to Thursday, July 5

9:30 am to 12:30 pm

For children ages 5 to 8. Cost: \$68

Discover the slimy side of the temperate rainforest. Explore the forest for everything from banana slugs to slime moulds and learn how to make your own slime.

SPLISH SPLASH

Monday, July 9 to Wednesday, July 11

9:30 am to 12:30 pm

For children ages 5 to 8. Cost: \$68

This camp is all about wonderful water! Explore Lynn Canyon Park's wet spaces and learn about the plants and animals that live there.

SURVIVE! – YOUNGER KIDS

Monday, July 16 to Wednesday, July 18

9:30 am to 12:30 pm

For children ages 5 to 8. Cost: \$68

Do you know how to survive in the woods? Learn the skills to keep you safe, warm and dry in the forest. Build a forest shelter, recognize helpful plants and learn about the animals that survive in the rainforest every day.

NATURE INVESTIGATORS

Monday, July 23 to Wednesday, July 25

9:30 am to 12:30 pm

For children ages 5 to 8. Cost: \$68

Come and be a nature detective in Lynn Canyon Park. Learn about tracking, uncover hidden habitats, play games, and create nature crafts as we ramble along the forest trails.

SURVIVE! – OLDER KIDS

Monday, July 30 to Wednesday, August 1

9:30 am to 12:30 pm

For children ages 8 to 12. Cost: \$68

Would you be able to live in the rainforest? Develop shelter building and tracking skills, and learn about the plants and animals who survive in Lynn Canyon Park.

HOMESTEADERS

Monday, August 13 to Wednesday, August 15

9:30 am to 12:30 pm

For children ages 5 to 8. Cost: \$68

Transport yourself back to the not so-distant-past with homesteading crafts in the forest and learn environmentally friendly ways to have fun!

NURTURING NATURE

Monday, August 20 to Wednesday, August 22

9:30 am to 12:30 pm

For children ages 8 to 12. Cost: \$68

Learn how to be a nature protector! Discover how you can help restore, monitor, and protect creeks and forests to make sure they stay healthy. You'll learn how to test water quality and how to examine the diversity of the rainforest.

SUPER SENSES

Monday, August 27 to Wednesday, August 29

9:30 am to 12:30 pm

For children ages 5 to 8. Cost: \$68

Do you have bat ears and eagle eyes? Learn how animals use their super senses to hunt, hide, and survive in the rainforest. Use your own senses and discover how you can watch for signs and sounds of animals in the forest.
